

The Pulse

A compilation of news from around
Regional Health Command – Central (Provisional)
July 17-23, 2016

MG Tempel sends: “It is my pleasure to introduce this first edition of a weekly media news product that will keep you better informed about the great things happening with Army Medicine in our region. Our greatest asset is our people and I want to highlight the hard work we do to ensure the Health Readiness of the force and the scope of our mission in the region. Please take a moment each week to read these stories so that you will understand and appreciate the compassion, care and commitment we provide the Soldiers, Retirees, Civilians and Families who trust us with their healthcare.”
